Circular regarding the Binding of Law Books in the
Government Presses.

Notification dated 25th June 1949.

It is observed that many Law Offices and Courts sending their Law Books, including All India Reports being bound at Government Presses, without checking

consecutive numbers of the Volumes properly, without verifying if there are any pages missing in any particular volumes, such a procedure has led to much correspondence; without any final reply in some cases, from the concerned Courts, and has been the primary cause for accumulation of Law Books in the Government Presses.

Therefore, all Law Officers are requested to have the volumes and consecutive monthly issues and pages verified and arranged properly before despatching the same to the Government Presses for binding. A note may kindly be recorded to this effect in the letter forwarding the Law Books to the Government Presses for binding.

Also, they are requested to have the Rubber Stamp of their Offices or Courts impressed on all the issues of the Law Books, sent for binding, in order to facilitate the easy identification of the Law Books, received from the various courts and to avoid any incorrect despatch of bound Law Books.
